

EC1340 – Fall 2019

Take home final

Due 12pm, December 16

Matt Turner

The object of this assignment is to use what you have learned in the course to assess whether a climate change policy of your choosing will do what it is intended to do and/or whether it is a good idea.

Please proceed as follows:

- By Wednesday December 4, pick the policy you would like to investigate and clear it with me. Some places you might look for policies are:
 - <http://climatemayors.org/>
 - <http://www.robertstavinsblog.org/author/rstavins/>
 - <http://sdg.iisd.org/actors/unfccc/>
- By Monday December 9, hand in and discuss with me a one page outline of what you propose to do.
- Hand in your final project by December 16, 12pm.

Write as much as you need to to answer the question you pose for yourself, but I do not expect more than 3-5 pages.
